

# CCTS Interdisciplinary Network Pilot Program

Previous CCTS Network Pilot Awardees\*

## PURPOSE

Through the CCTS Pilot Program, we seek to develop the future translational research workforce in a spirit that fosters collaboration, team science, and innovative discovery. Early Stage Investigators are strongly encouraged to apply.

## AWARD

Applicants may apply for up to \$60,000 in Direct Costs, with the CCTS Hub committing up to half.

## PROPOSALS

**Projects should align with the CCTS mission and address health conditions that disproportionately affect the Deep South. For special considerations and application instructions, please see the 2019 Request for Applications.**
