

Trust and Trustworthiness in Genetic and Genomic Research: Barriers to Participation

March 16, 2018
9:30am - 1:00pm

Medical Towers 634
parking behind building

Register on Eventbrite
walk-ins welcome

Cohosted by CCTS Partners Tuskegee University and UAB, this event aims to bring together researchers and bioethicists to discuss special challenges in population-based genetic and genomic research and the critical role trust plays in ensuring equitable and ethical inclusion of a broad community of participants.

AGENDA

- 9:30-10:00 Meet and Greet with Coffee
- 10:00-10:30 Understanding Trust and Trustworthiness (T & T)
- 10:30-11:00 Examining Historical Evidence of T & T as Barriers to Research Participation
- 11:15-12:15 Current Experiences with Barriers to Participation: The AGHI Example
- 12:15-12:30 Break for Working Lunch
- 12:30-1:00 Future Bioethics Forum Discussion
