CCTS FORUM

Low Health Literacy Challenges in Clinical and Translational Research

WEDNESDAY, FEBRUARY 14
4:00–5:30 PM

Is low health literacy undermining your **patient or participant's outcomes?**

SPEAKERS

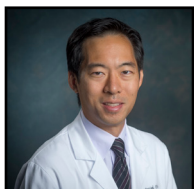

Joy Deupree, PhD, MSN, RN, WHNP-BC

Assistant Professor and Director of
Community Engagement
UAB School of Nursing
Robert Wood Johnson Foundation
Executive Nurse Fellow

C. Ann Gakumo, PhD, RN

Associate Professor
UAB School of Nursing
Robert Wood Johnson Foundation
Nurse Faculty Scholar

Daniel I. Chu, MD

Assistant Professor
UAB Division of Gastrointestinal Surgery
2018 James A. Pittman Jr., MD, Scholar

Samantha Baker, MD

Postdoctoral Fellow
VA Quality Scholars Program
UAB Dept. of Surgery

MODERATOR

Robin Gaines Lanzi, PhD, MPH

Professor, Health Behavior
Director of Student Engagement
School of Public Health
Co-Director, CFAR Behavioral and
Community Sciences Core

Low health literacy contributes to health disparities, reduces participation in clinical trials and research studies, and increases health care costs. We will explore the impacts of low health literacy and discuss the latest evidence-based interventions for addressing it.
