

Timely Topics: Challenges and Solutions

Center for Clinical and Translational Science
Robert P. Kimberly, MD, Director

The CCTS is committed to helping investigators stay abreast of the ever-changing research landscape. In so much, the CCTS supports and resources are constantly evolving to meet investigator needs and respond to commonly-faced challenges:

New Human Subjects Regulations

1. CCTS Solution: Clinicaltrials.gov workshops with CCTS CRSP
2. CCTS Solution: Guidance on the new human subjects section in FORMS-E & example language in the CCTS Grant Library
3. CCTS Solution: CRSP Lunch 'n' Learns on the revised Common Rule
4. CCTS Solution: CCTS Research Training Program
5. CCTS Solution: IRB walk-in clinics

Enhancing Rigor, Reproducibility, and Transparency Along the Translational Spectrum

1. CCTS Solution: The Kaizen game
2. CCTS Solution: Data management workshops
3. CCTS Solution: Biostatistics, Epidemiology, and Research Design (BERD) walk-in clinics
4. CCTS Solution: Clinicaltrials.gov workshops with CCTS CRSP
5. CCTS Solution: Assistance complying with the NIH public access policy through Lister Hill Library liaison to the CCTS

Commercializing University Discoveries

1. CCTS Solution: I-CORPS with Molly Wasko, PhD
2. CCTS Solution: iPannels through CCTS Research Commons
3. CCTS Solution: CCTS Drug Discovery Seminar Series
4. CCTS Solution: Assistance with Investigational New Drug & Investigational Device (IND/IDE) applications
5. CCTS Solution: Memorandum of Understanding across all CCTS Partner Network

Cross-Institutional Collaborations

1. CCTS Solution: Leverage expertise across the CCTS Partner Network
2. CCTS Solution: Gain access to diverse populations through the CCTS Partner Network
3. CCTS Solution: The Southeast Health Alliance for Research (SHARe) comprising the CCTS Partner Network and Ochsner Health System
4. CCTS Solution: CCTS Multidisciplinary Partner Network Pilot Program
5. CCTS Solution: Southeastern SHRINE Network

Multidisciplinary Research Involving Informatics

1. CCTS Solution: Informatics Gateway
2. CCTS Solution: i2b2 self-service model
3. CCTS Solution: i2b2 hands-on training sessions
4. CCTS Solution: Study design consultation with BERD
5. CCTS Solution: Southeastern SHRINE Network
6. CCTS Solution: Partnership with TriNetX

Obtaining Extramural Funding

1. CCTS Solution: Nascent Project Panel & Panels Done Quickly
2. CCTS Solution: CCTS Grant Library
3. CCTS Solution: K Writing Group
4. CCTS Solution: Budgetary consulting for CCTS clinical research services
5. CCTS Solution: CCTS Multidisciplinary Partner Network Pilot Program & CCTS Radiology Pilot Program
6. CCTS Solution: obtain support to offset CCTS resource-related expenses through the CCTS Voucher program
