

# EXPEDITIONS

Dissemination | Implementation | Translation | Innovation

Join **Drs. Olakunle Alonge, Caroline Presley,**  
and **Lisa Zubkoff** for an engaged discussion on:

## If you write it, will they fund?

**Tuesday, January 21**

**3 - 4:30pm CT, WTI 101**

Join us on **Tuesday, January 21** for an in-depth look at extramural funding opportunities for Dissemination and Implementation (D&I) research. Featuring an overview of funding sponsors and mechanisms, along with examples of successful D&I grants, from ESI/K to R-series awards, don't miss this chance to enhance your grant-writing strategy!

- **Dr. Olakunle Alonge** - "Integrating D&I science into a research portfolio"
- **Dr. Caroline Presley** - "Mindfulness-Based Diabetes Education for adults with elevated diabetes distress"
- **Dr. Lisa Zubkoff** - "Overview of D&I Funding Opportunities"

Refreshments provided
