

2025-2026 Appeal for Special Circumstances
UAB Office of Student Financial Aid

SECTION I – STUDENT INFORMATION

Last Name:	First Name:	Middle Initial:
Blazer ID:	Date of Birth:	
Student Phone Number:	Parent Phone Number (for dependent students):	

SECTION II – INSTRUCTIONS & DISCLOSURE

Complete the following form if the student and/or spouse/parent has experienced a major change in income during the 2023 calendar year. Only 2024 information can be used to update the 2023 information that was entered on the Free Application for Federal Student Aid (FAFSA). If your request is approved, the information on the FAFSA will be updated and the Student Aid Index (SAI) will be recalculated. Recalculation of the SAI does not guarantee a change to the student’s federal financial aid.

To ensure compliance with federal regulations, there are limits to which circumstances can be considered. Special Circumstances are considered on a case-by-case basis and must have occurred outside of student/parent control.

Upon submission of this form, you will be notified by the Office of Student Financial Aid on how to upload your supporting documentation. We cannot process this appeal without specific details regarding your special circumstances or without appropriate documentation.

Please Note:

- Students must complete the 2025-2026 FAFSA at <https://studentaid.gov> before a Special Circumstance Appeal can be processed.
- Families with a SAI between negative \$1,500 and \$0 will not be reviewed and should not submit a Special Circumstance Appeal.
- All verification requirements must be satisfied before your appeal can be considered.
- **Approval of a request does not guarantee receipt of additional federal financial aid.**

SECTION III – SELECT SPECIAL CIRCUMSTANCES

If special circumstances exist that might change your need, based on your financial information on the FAFSA, please check the box or boxes that apply. Instructions on how to upload your supporting documentation to the Verification Forms Portal will be emailed to you.
