

CLASSROOM TECHNOLOGY QUICK GUIDE

Small Standard Classroom

The interface features a dark green background with white icons and text. At the top left is the UAB logo. To its right is the text 'CLASSROOM TECHNOLOGY'. Further right is a red-bordered box containing a red recording icon and the text 'Recording Hold to Stop'. To the right of this box are two circular icons: one with three vertical bars and a play symbol, and another with a play symbol and a diagonal slash. Below these are two main sections: 'VIDEO SOURCE' and 'AUDIO SOURCE'. The 'VIDEO SOURCE' section is enclosed in a light green border and contains four icons: a laptop (Computer), a Wi-Fi symbol (AirMedia), an HDMI connector (HDMI), and a VGA connector (VGA). The 'AUDIO SOURCE' section contains two icons: a microphone (Podium Mic Mute) and a USB connector (Source Mute). Below these is a 'CONTROLS' section with three icons: a power button (Start Class), another power button (End Class), and a question mark (Help). At the bottom right of the controls is a video camera icon with a diagonal slash (Video Mute).

PROJECTOR INPUTS

Document Camera is available through icon on lectern pc desktop

AUDIO OPTIONS

Control volume of microphones and speakers
