Category	Class Code	Code Description

A description of the fields listed in the **PROJECT** window is detailed below.

NUMBER	Number assigned to represent a specific project. On conversion, this number will be **2 + the FAS MAPCODE** of the prime account number. After go-live the project numbers will be automatically assigned in sequential order.
NAME	Name tied to the project indicated by number in the previous field. Equals Short Title in the FAS system.
TYPE	Options are Grant, Plant Hospital, and Plant University.
ORGANIZATION	Organization code and name to which this project is assigned. Equals Division in the FAS system.
TRANS DURATION	Transaction duration. Beginning date range within which transactions can be posted to this project.
-	Ending date range within which transactions can be posted to this project.
STATUS	Approved or Closed.
DESCRIPTION	Equals Long Title in the FAS system.
PRODUCT SOURCE	Not in use at UAB.
PUBLIC SECTOR	Not in use at UAB.
SOURCE REFERENCE	Not in use at UAB.
LAST SUMMARIZED DATE	Project Status Inquiry is a snapshot of detailed information as of the last nightly update of the system. This field shows the date of that backup.
LAST SUMMARIZED PA PERIOD	The Grants Accounting period for which Project data was last summarized. (Should be the month in which the last summarized date falls).
LAST SUMMARIZED GL PERIOD	The General Ledger period for which Project data was last summarized. (Should be the month in which the last summarized date falls).
CLASSIFICATIONS CATEGORY	Not applicable. Used only for plant projects.
CLASSIFICATIONS CLASS CODE	Not applicable. Used only for plant projects.
CLASSIFICATIONS CODE DESCRIPTION	Not applicable. Used only for plant projects.

Note: The **CLASSIFICATION** tab will only be used for plant projects. Additionally, grant funding agency information will be maintained at the Award level, not the Project level, and therefore the **CUSTOMERS** tab also will not be used.

2. After reviewing the visible information regarding this project, click on the **KEY MEMBERS** tab.

A description of each field is detailed below.

EMPLOYEE NAME	Name of employee tied to this project.
EMPLOYEE NUMBER	Employee ID number of person named in previous field.
ROLE	Project Manager will be only key member listed on this form.
EFFECTIVE DATES FROM	Date employee's association with project starts.
EFFECTIVE DATES TO	Date employee's association with project ends.

3. Click once on the **X** in the top, right-hand corner of this window to return to the main **PROJECT STATUS** window.
