STUDENT**techlist** *2021 - 2022*

Get Technology Help – uab.edu/techhelp – 205-996-5555
When you need help, we're here to get you back to work, fast! Request IT services, report problems with IT services, or read knowledge articles about IT services.

Unlimited email – mail.uab.edu
Staff have unlimited email storage in their UAB accounts, and you have access to your email through the web as well.

Connect to the Internet – uab.edu/wifi
UAB IT provides a secure WiFi network in support of the academic, research, and administrative work of the UAB community. If you aren't on campus, locate free WiFi near you at go.uab.edu/freewifi.

Never change your password! – uab.edu/2factor
Two-factor authentication is required for all faculty, staff, and students at UAB. By signing up, not only will you (and UAB) be more secure, but you'll also never have to change your password again (unless your account is compromised.)

OneDrive – office365.ad.uab.edu
Access your OneDrive account for 5TB of storage in the cloud, collaborate with others, and download Office products such as Microsoft Word, Excel and PowerPoint on your personal computer.

TechConnect – uab.edu/techconnect
UAB's tech store can be found on campus in the Hill Student Center and online. We offer competitive pricing on devices and repair services. You can order online or in store.

Get the UAB mobile app – uab.edu/app
Have an Apple or Android mobile device? Download the free UAB mobile app, which provides access to UAB's chatbot AskBlaze, Blazer Express schedules, maps, campus directory, news and athletics.

Free software – uab.edu/techhelp
As a UAB student, you get access to free and discounted software that you need for class or for personal use. Software that is FREE includes Microsoft 365, Adobe Creative Cloud, Mathematica, Endnote, and antivirus software.

Microsoft 365   Outlook, OneDrive, Word, Excel, PowerPoint, Teams, OneNote, and more

Adobe Creative Cloud   Photoshop, Illustrator, AfterEffects, Premiere Pro, InDesign, and more
