Pallavi Bhattaram, PhD

"Epigenomic and transcriptomic work in inflammatory joints"

Assistant Professor
UAB Department of Orthopedics

Rafael Contreras, PhD

"Genetics of Scleroderma"

Associate Professor
UAB Department of Genetics, Research Division

Robert Corty, MD, PhD

"Somatic Mosaicism and Its Clinical Consequences"

Clinical Fellow Trainee, PGY5
VUMC Division of Rheumatology and Immunology

Kathryn Dahir, MD

"Diagnosis of Genetic Bone Diseases"

Professor of Medicine
VUMC Division Endocrinology and Diabetes

Merry-Lynn McDonald, PhD

"Polygenic Risk Scores in OA"

Director and Professor of Medicine
UAB Integrative 'Omics; Assoc. Prof of Med. Div. Pulmonary, Allergy, and Critical Care Medicine

Tony Merriman, PhD

"Genetics and Genomics- Quick Reviews"

Professor
UAB Clinical Immunology and Rheumatology

Nathaniel Robin, MD

"Phenotyping Methods in Genetic Research"

Medical Director
UAB Department of Genetics

POSTER COMPETITION

Submit your abstract by November 22, 2024

CASH PRIZES

**ALL POSTERS
ACCEPTED FOR
PRESENTATION**
