TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

-  **Calling all New and Aspiring Trialists** | The CCTS Clinical Investigator Training Program (CITP) is a concise five-week course focusing on the roles and responsibilities of principal investigators in clinical research. It highlights UAB's administrative support for such research and aims to streamline trial activation processes. This program is particularly suited for MDs, DOs, DMDs, and PhDs, emphasizing the duties of investigators in human clinical trials. **The program kicks off October 22nd. [Learn more and apply now.](#)**
-  **Train Your Team! CCTS Research Training Program (RTP) Starts August 27th** | This 6-week program provides in-depth training on essential areas of clinical investigation with key leaders at UAB. This opportunity is appropriate for study coordinators, billing managers, regulatory staff, and other research team members. **[Register for RTP here.](#)**
-  **Research Orientation Program (ROP) for Those New to Clinical Research Roles** | This one-session, high-level overview of how to implement a sponsored or investigator-initiated clinical study is ideal for young investigators and research staff who are new to clinical research. Want a refresher course? ROP emphasizes key aspects of a clinical trial. **August 22, 9am-12:30pm via Zoom. [Register for ROP here.](#)**
