TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

-  **Research Seminar Series (RSS) Returns Next Week!** | Join us on September 5th for the return of the [Research Seminar Series \(RSS\)](#), offered on the first and third Thursday of each month, featuring brief presentations on key topics such as clinical trial recruitment, informed consenting, HIPAA regulations, and more. This session will focus on "Best Practices for Lab Processing." **Sept. 5, 12-1pm via Zoom. [Register now.](#)**

-  **Step-by-Step Guide and Video Tutorials for ClinicalTrials.gov Modernization** | On August 28, 2024, the PRS Beta will become the primary website for Protocol Registration as part of the ongoing [ClinicalTrials.gov modernization](#). To help with this transition, the CCTS has created detailed video tutorials and a step-by-step guide, **[available on our website.](#)** Contact CCTSClinicalTrials.govHELP@uabmc.edu with any questions.

-  **New to Trials or UAB? CITP is for You!** | The CCTS Clinical Investigator Training Program (CITP) is a concise five-week course focusing on the roles and responsibilities of principal investigators in clinical research. Whether you're new to clinical trials or an experienced trialist new to UAB, this program provides valuable insights into UAB's administrative support and processes to streamline trial activation. Ideal for MDs, DOs, DMDs, and PhDs, the program emphasizes investigator responsibilities in human clinical trials. **The program kicks off October 22nd. [Learn more and apply now.](#)**
