# TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

---

 **RISE: Mastering Collaborative Research Leadership** | The CCTS presents [RISE Leadership Development](#), a 9-week, in-person program designed to equip clinical research staff professionals with leadership skills for team-based research. Starting **January 23, 2025**, RISE will cover key leadership concepts, interpersonal effectiveness, and trust-building strategies. Open to clinical research professionals, early-career faculty, and postdocs, sessions will be held **Thursdays, 1-3pm, in SHEL 105**. [Read more and apply here](#).

 **Research Orientation Program (ROP) for Those New to Clinical Research Roles** | This one-session, high-level overview of how to implement a sponsored or investigator-initiated clinical study is ideal for young investigators and research staff who are new to clinical research. Want a refresher course? ROP emphasizes key aspects of a clinical trial. **Oct. 24, 9am-12:30pm via Zoom**. [Register for ROP here](#).

 **This Friday! Writing and Publishing a Manuscript** | Dr. Michael Allon will present "*Writing and Publishing a Manuscript*" as part of the Clinical and Translational Science module of the CCTS TIERS workshop series. Occurring every 2nd Friday of the month at noon, TIERS workshops provide valuable insights into career development, grantsmanship, translational science, and more! **Oct. 11, 12-1pm via Zoom**. [More info, download and share the flyer, register now](#).
