### QUESTION:

Is Lynda changing?

### ANSWER:

As most folks probably know, Lynda is available free-of-charge to most UAB employees.

And it's great for learning all sorts of things.

It's going to be changing (at least slightly) about August 21.

If interested, see details about that change at <http://uab.edu/Lynda>

This may not be a major change, but it's a great reminder to not put this off.

Have you been wanting to learn something – either for work or for personal reasons?

In this day and age, we all get to be “life time learners”, so go ahead and take advantage of this wonderful (easy to use) perk.

You can see more background about Lynda at this previous Tip of the Week:
