

PRSTP: Partnership Research Summer Training Program

Wednesday May 28th - Wednesday, July 23th, 2025

ABOUT THE PARTNERSHIP CANCER RESEARCH SUMMER TRAINING PROGRAM-DEPT. of PATHOLOGY/O'NEAL CCC

- This training program is open to rising freshmen/sophomores undergraduate/graduate students at Alabama A&M University, Alabama State University, Miles College, Oakwood University, Stillman College, Tuskegee University, Fisk University, and/or from other historically black colleges/universities (HBCUs) or minority-serving institutions (MSIs), across the south, as well as the University of Alabama at Birmingham
 - PRSTP is an intensive eight-week **in-person, laboratory-based**, mentored summer research experience
 - This is an opportunity to work with physicians and scientists on cancer medicine, basic cancer research, health disparities, or similar research areas
 - It includes weekly seminars by leading UAB cancer physicians and scientists
 - **Students will receive a salary of \$10.00/hour for up to 30 hours/week (no accommodation/boarding will be provided)**
 - **For more information, and to apply online, scan image:**
 - Or submit completed application materials to **dennisotali@uabmc.edu**
- All application materials are due by **Tuesday, April 1, 2025.**

Program Director: Dr. Upender Manne, Professor of Pathology
