

STEP-UP:

Short-Term Research Experience Program to Unlock Potential 2025

About STEP-UP

- Available to undergraduate students around the U.S.
- 10 week in-person mentored biomedical research summer experience
- Hands-on lab experience at almost any research site in the United States
- \$6,500 stipend for summer participation
- Trainees present their research during the Annual STEP-UP Symposium at NIH in Bethesda, MD, July 29 - 31, 2025.
- Year-round mentoring support and career development advice available
- Expand job and post-graduate networks through program contacts

**Summer 2025 Dates:
May 27 through August 1, 2025**

Applications due February 1, 2025

General/Academic Requirements*:

- Be enrolled as a full-time undergraduate student at a U.S. accredited two-year or four-year college or university. Graduating college seniors are not eligible for the program.
- Have a minimum overall GPA of 3.0 or better (on a 4.0 scale), although exceptions may be granted
