General Information:
1. To minimize risks to employees, health screening at the beginning of the job and at periodic intervals is recommended for certain job categories. Likewise, it is important that you notify OH&S Occupational Medicine about any change in your job, exposures or activities at UAB.
2. If you have ever been diagnosed with or had symptoms of the following, you may be at increased risk of injury or health problems when conducting research at UAB:
   - Skin rashes
   - Glove Allergies/rashes
   - Allergies to animals, dander, and/or hair
   - Asthma
   - Muscle or bone problems
   - Allergies to pollen, food, etc.
   - Latex Allergy
   - Mitral valve prolapse
   - Repetitive motion injury (i.e., carpal tunnel)
   - Diabetes
   - Repeated episodes of diarrhea
   - Problems with visual acuity, hearing ability
   - Hernia
   - Splenectomy (missing spleen)
   - Allergic skin problems, eczema
   - Seizure disorder
   - Drug or alcohol dependency
   - Family history of hay fever, asthma
3. If you are pregnant or if your immune system is suppressed, you may be at increased risk. Please make sure your private/personal physician knows about your job duties.
4. Employees working with certain animals may require immunizations specific to that species.
5. If you have any disability (limitation) for which you believe an accommodation is needed for you to perform your job, it is your responsibility to inform your supervisor and request a workplace accommodation.
6. An annual tuberculosis (TB) screening is required for employees with exposure to nonhuman primates and other specified areas at UAB. Vaccination against TB by Bacillus Calmette-Guerin (BCG), does not exclude one from annual TB screening requirements.
7. Allow 1-2 weeks for processing forms. Your OH&S Occupational Medicine Clearance will be delayed for incomplete forms.

Specific Information for Attachments 1 and Attachment 2:
1. In addition to completing page 2, you will be required to complete Attachment 1 if any of the following apply to you:
   - have direct contact with or enter rooms occupied by nonhuman primates,
   - work in an area that requires TB screening,
   - work with material of human or nonhuman primate origin,
   - work with restricted material or in a restricted area,
   - work in or enter a BSL3 or ABSL3 area, or
   - receive either a required or recommended immunization through this program,
   - work with animals or walk through an area where animals are present,
   - have a current or past medical condition.
2. You must either complete Attachment 1 OR complete Attachment 2, which acknowledges by signature that you understand that you may be placing yourself and others at risk by not disclosing the information requested.

Form submittal:
1. You may submit completed forms electronically to OHSoccmed@uab.edu. This is preferred.
2. You may place the completed forms in a Confidential Envelop and return it to:
   UAB OH&S Occupational Medicine
   CH19, Suite 445-2041
3. You may fax the completed forms to (205) 934-7487. Please be aware that the fax machine is located in the main OH&S office and confidentiality cannot be assured.
4. You may deliver your completed forms to CH19 Suite 412 and place them in the secured lock box at the receptionist’s desk.

ATTACHMENT 2
Declination to Disclose Medical History

Printed Name: ____________________________________________ Blazer ID:_________________________

I certify that none of the following applies to me that would require me to complete Attachment 1:
   1. have direct contact with or enter rooms occupied by nonhuman primates,
   2. work in an area that requires TB screening,
   3. work with material of human or nonhuman primate origin,
   4. work with restricted material or in a restricted area,
   5. work in or enter a BSL3 or ABSL3 area, or
   6. receive either a required or recommended immunization through this program,
   7. work with animals or walk through an area where animals are present,
   8. have a current or past medical condition.

I understand that I have the option of completing Attachment 1 in order to provide OH&S Occupational Medicine with a more complete history. I am, however, declining to provide this information at this time and will ensure that my primary care physician is aware of the work that I am conducting here at UAB. I understand that I may be placing myself and others at risk by not disclosing the information requested on the form to OH&S Occupational Medicine or my personal physician.

I understand that I may choose to complete Attachment 1 at a later time in order to provide OH&S Occupational Medicine with a more complete history and to receive services through OH&S Occupational Medicine.
