Welcome to the UAB campus

The UAB Police and Public Safety Department is committed to providing a safe and secure environment for all faculty, staff, students and visitors. We encourage everyone to be cautious and alert. If you see something, say something!

We are here, rendering service 24 hours a day/7 days per week and we want to help you protect yourself and be more aware of your surroundings.

We wish you all a successful semester.

Download a safety app for added security

Rave Guardian is a personal safety service available to anyone with a uab.edu email. This app enables users to designate “guardians” (family, friends, or even UAB Police) to provide a virtual safety escort and direct emergency access to UABPD. Users can also use it to report suspicious activity to UABPD.
