

Application Screening Form – University of Alabama at Birmingham (UAB)

MS in Nutrition Sciences, **Dietitian Education Program Track**

Name:	Applying for which semester and year:
Email:	Cell Number:
City and State where you reside:	
UGR Major:	Graduate School Major: (if applicable)
University Accredited?	
Overall GPA (Undergrad):	Graduate GPA: (if applicable)
Science GPA for science courses listed below:	
Nutrition GPA for courses listed below:	

To be considered for the DEP, applicants must have an overall undergraduate GPA of 3.0, and science and UAB Nutrition Minor GPA of 3.0. Students must earn at least a C in each pre-requisite course listed above and have completed at least 3 semester hours in each pre-requisite course.

The DEP is highly competitive to get in to and meeting the minimum program admission requirements does not guarantee admission into the program. Preference is given to students who have completed their coursework at UAB.

If there are other factors that you would like to share with the application committee for consideration, please provide explanation here:
