ATTENTION ALABAMA TWO-YEAR COLLEGE STUDENTS

If you plan to transfer to UAB from an Alabama Junior College to study Early Childhood/Elementary Education, this page lists required and recommended courses in Areas I through V, including courses specifically required by UAB in Area V.

This is the transfer page that is referred to in the articulation guide. The AGSC articulation guide and this page comprise the articulation agreement for a major in Early Childhood/Elementary Education at the University of Alabama at Birmingham.

Please print this page, fill in your name and today's date, and attach it to the Elementary or Early Childhood Education articulation guide.

This template has attempted to reflect the new "NO CHILD LEFT BEHIND" federal mandate. The Education Pre-professional Academic Committee is working to revise the requirements listed on all Education transfer guides obtained through the STARS system so that they will comply with the current "NO CHILD LEFT BEHIND" federal mandate. Once they have revised these documents, the new requirements will be reflected on the STARS Transfer Guides for each Education major that is impacted and on this web page.

IMPORTANT: NCLB requires that students who major in Early Childhood/Elementary Education must now complete 12 sem. hrs. in science and 12 sem. hrs. in math (MTH 112 Pre-calculus Algebra or higher, may include MTH 110 Finite Mathematics ) This is reflected below.
