ATTENTION ALABAMA TWO-YEAR COLLEGE STUDENTS

If you plan to transfer to UAB from an Alabama Junior College to study Kinesiology with an Exercise Science Concentration, this page lists required and recommended courses in Areas I through V, including courses specifically required by UAB in Area V.

This is the transfer page that is referred to in the articulation guide. The AGSC articulation guide and this page comprise the articulation agreement for a major in Kinesiology (Exercise Science concentration) at the University of Alabama at Birmingham.

Please print this page, fill in your name and today's date, and attach it to the Kinesiology articulation guide.

AGSC:
- one safety and first aid course
- one personal and community health course
- one course in anatomy and physiology
- one course in the foundations of physical education

Alabama College System Course
HED 230 Safety and First Aid or HED 231 First Aid (3 sem. hrs.)
HED 221 Personal Health or HED 224 Personal and Community Health (3 sem. hrs.)*
BIO 201 Anatomy and Physiology (3 sem. hrs.)**
PED 200 Foundations of Physical Education (3 sem. hrs.)

*HPE 200, a UAB course with no AL College System Course equivalent, is preferred.
**Students must complete a two-course Anatomy and Physiology sequence (BIO 201 and 202) for this major. Because there is no UAB equivalent to BIO 201 and 202 individually, students transferring from Alabama community colleges should take both BIO 201 and 202 at their community college or wait to begin this sequence at UAB. Students must earn a grade of "C" or higher in all math, science, and major courses.

UAB:
- the second course in anatomy and physiology (BY115/116; 8 sem. hrs.)
- statistics (MA180; 3 sem. hr.)
- Weight Training (KIN115; 1 sem. hr.)
- Aquatics (KIN101, 102, or 103; 1 sem. hr.)
- Aerobics (KIN131, 1 sem. hr.)

Alabama College System Course
BIO 202 Anatomy and Physiology II (4 sem. hrs.)*
MTH 265 Elementary Statistics (3 sem. hrs.)
PED103 or 104 Weight Training (1 sem. hr.)
PED140 Swimming (Beginning), PED 141 Swimming (Intermediate), or PED 148 Lifeguard Training (1 sem. hr.)
PED 106 Aerobics, PED107 Aerobics Dance (Beginning), or PED108 Aerobics Dance (Intermediate) (1 sem. hr.)

*Students must complete a two-course Anatomy and Physiology sequence (BIO 201 and 202) for this major. Because there is no UAB equivalent to BIO 201 and 202 individually, students transferring from Alabama community colleges should take both BIO 201 and 202 at their community college or wait to begin this sequence at UAB. Students must earn a grade of “C” or higher in all math, science, and major courses.

**General Admissions Requirements:**

There are no special requirements for admission to the School of Education’s Kinesiology – Exercise Science Program beyond UAB’s undergraduate admission requirements. For a complete description of majors and other schoolwide requirements see [http://catalog.uab.edu/undergraduate/](http://catalog.uab.edu/undergraduate/).
