Intercourse is vaginal penetration by a penis, object, tongue, or finger; anal penetration by a penis, object, tongue, or finger; and oral copulation (mouth to genital contact or genital to mouth contact)

## UAB TITLE IX POLICY OVERVIEW

- e. **Non-consensual sexual contact:** Any intentional sexual touching (or an attempt to commit the same), however slight, for purposes of sexual gratification, with any object, or by person upon another person, and without consent or by physical force.
  - i. - i. Course of Conduct:** Means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

## RETALIATION

Intimidation, threats, coercion, or discrimination against any person by UAB, a student, or an employee or other person authorized by UAB to provide aid, benefit, or service under UAB's education program or activity (including in UAB's academic, research, athletic, and clinical operations), for the purpose of interfering with any right or privilege secured by Title IX, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under the Title IX grievance procedures, and in any other actions taken by UAB to respond to allegations of Prohibited Conduct.

### **Examples of retaliatory actions include:**

Suspension, demotion, or termination in the employment context; changing work schedules, duties, or assignments; denying funding; interfering with or impacting immigration status; lowering a grade or dismissing a student from a program; or maliciously and purposefully interfering with, threatening, or damaging the academic or professional career of another individual before, during, or after the investigation and resolution of a Report or Formal Complaint of Prohibited Conduct.

## FALSE ALLEGATIONS OR FALSE STATEMENTS

All Reports and Formal Complaints should be made in good faith, meaning the individual making the Report or Formal Complaint has a reasonable belief that the allegations are true and relate to a potential violation of University policy.

A Report or Formal Complaint made in bad faith is one that is intentionally dishonest, frivolous, or malicious. When a Report or Formal Complaint is made in bad faith, it may deter other individuals from filing good faith Reports, unnecessarily expend University and law enforcement resources, distract University and law enforcement officials from investigating good faith Reports, and cause harm to the alleged Respondent and the community.

It is a violation of this Policy to report intentionally dishonest, frivolous, or malicious allegations of Prohibited Conduct or make a materially false statement in bad faith in the course of an investigation or adjudication of a Formal Complaint.

# UAB TITLE IX POLICY OVERVIEW

## TITLE IX PROHIBITS DISCRIMINATION ON THE BASIS OF PREGNANCY OR RELATED CONDITIONS

Discrimination on the basis of current, potential, or past pregnancy or related conditions is considered sex discrimination under this Policy. UAB will ensure that students and employees have access to lactation spaces and reasonable time to express breast milk or breastfeed as needed. For more information on UAB lactation spaces please visit the Title IX Office website at [uab.edu/titleix/pregnancy-parenting](https://uab.edu/titleix/pregnancy-parenting).

- ▶ Medical conditions related to pregnancy, childbirth, termination of pregnancy, or lactation; or

The Title IX Coordinator will work with students experiencing pregnancy or related conditions to prevent sex discrimination and to ensure that the student continues to have equal access to UAB's education program or activity.

#### ■ Your Rights

Title IX prohibits discrimination on the basis of sex — including pregnancy and all related conditions. This means persons who are pregnant (current, potential or past pregnancy) cannot be treated differently from other persons who are unable to participate in an educational program or activity.

# UAB TITLE IX POLICY OVERVIEW

You have the right to make a report to the police department, UAB Title IX Office, or choose not to report. Retaliation for reporting is prohibited and should be reported to the Title IX Office. What can I do to support you?”

### DISCLOSURES RELATED TO PREGNANCY:

“Title IX provides reasonable modifications for pregnancy and related conditions. If you need to request academic modifications for pregnancy, recovery therefrom, and/or access the lactation rooms on campus, please contact the Title IX Office.”

## WHAT HAPPENS NEXT?

After a report is submitted, the Title IX Office will contact the parties to inform them of their rights, resources, and options to request supportive measures.

# HOW TO MAKE A REPORT

## REPORTING PROTECTIONS

The University is committed to protecting the privacy of all individuals involved in the investigation and resolution of a Report or Formal Complaint of Prohibited Conduct under this Policy. The University is also committed to providing assistance to help students, employees, patients, third parties, and visitors make informed choices. With respect to any Report or Formal Complaint of Prohibited Conduct under this Policy, the University will make reasonable efforts to protect the privacy of participants, in accordance with applicable state and federal law, while balancing the need to gather information to assess the Report and Formal Complaint and take steps to eliminate Prohibited Conduct, prevent its recurrence, and remedy its effects.

## PRIVACY

To protect individual privacy, the University will only share information related to a Report or Formal Complaint of Prohibited Conduct with a limited circle of University employees who “need to know” to assist in the assessment, investigation, and resolution of the Report or Formal Complaint, as well as the implementation of Supportive Measures.

The privacy of student education records will be protected in accordance with the Family Educational Rights and Privacy Act (“FERPA”), as outlined in the University’s FERPA Policy. The privacy of an individual’s medical and related records generally is protected by the Health Insurance Portability and Accountability Act (“HIPAA”), excepting health records protected by FERPA.

### CONFIDENTIALITY

Confidentiality exists in the context of laws that protect certain relationships, including those with medical and clinical care providers (and those who provide administrative services related to the provision of medical and clinical care), mental health providers, counselors, and ordained clergy, all of whom may engage in confidential communications under Alabama law. The University has designated individuals who have the ability to have privileged communications as “Confidential Employees.” When information is shared by an individual with a Confidential Employee or a community professional with the same legal protections, the Confidential Employee (and/or such community professional) cannot reveal the information to any third party except when an applicable law or a court order requires or permits disclosure of such information.

For example, information may be disclosed when: (1) the individual gives written consent for its disclosure; (2) there is a concern that the individual will likely cause serious physical harm to self or others; or (3) the information concerns conduct involving suspected abuse or neglect of a minor under the age of 18.

### AMNESTY FOR STUDENTS

The University community views the safety of our students as a top priority. A student who is under the influence of alcohol or drugs at the time of an incident should not be reluctant to seek assistance for that reason. The University will not pursue disciplinary violations against a student or against a witness for being under the influence of alcohol or drugs (e.g., underage drinking) if the student is making a good faith Report of Prohibited Conduct or participating in an investigation of Prohibited Conduct. The Title IX Coordinator (or designee) may, however, refer a student to substance use assessment and counseling depending on the circumstances of the individual situation. Thus, for purposes of this Policy, students who report potential Prohibited Conduct or participate in an investigation of Prohibited Conduct and reveal a potential violation of UAB policy relating to drug or alcohol use may not be sanctioned for such drug or alcohol violations.
